ARTICLE NUMBER TO BE AMENDED

Article IV

SECTION AND/OR SUB-SECTION TO BE AMENDED

Section 9b

CURRENT EXACT LANGUAGE TO BE AMENDED

B. THE GUEST ACCESS FEE WILL BE PAID TO THE GATE CONTROLLER UPON ENTRY TO THE CLUB PROPERTY AND WILL BE VALID FOR THE ENTIRE DAY.

ARTICLE AND SECTION(S) WHERE NEW, EDITED, ADDED LANGUAGE IS PLACED

b. The guest access fee will be paid to the gate controller upon entry to the club property, except for matches with ten or more participants and that the registration for the match and fees for the match are collected online, the Match Director may coordinate with the DSRPC Treasurer and pay the guest fees along with match fees after the match completion. Guest fees will be valid for the entire day except, guest fees paid to shoot a match shall only be good while shooting the match and the guest shall leave the range after the match is completed.

JUSTIFY THE REASON FOR THE AMENDMENT

Collecting guest fees for matches with greater than 10 participants can dramatically slow down the check-in process at the Guard Gate and create long backups. Many shooters can be late for matches and many matches will have to delay starts to accommodate the hold ups.
